

12th May 2017

Dear Families,

The year 2s and year 6s have completed their end of Key stage assessments this week. They have worked very hard in preparation and should be very proud of the effort they have put in.

Bikeability

The year 5s and 6s have the opportunity to complete their bikeability training on 22nd and 23rd of June. In preparation for this they are asked to complete a workbook prior to the training which will be sent home before half term. Could you also complete the consent form for them to take part.

The children need to have a road worthy bike and helmet. Rather than bringing the bikes in to school a week before the training I have attached the bike check form for you to assess the suitability of the bike at home. Please ensure that the bike being used is suitable according to the criteria on the checklist as the instructors who come in to school are pretty strict about having a fully working bike. If your child does not have a suitable bike but would still like to take part in the training, please let me know and I will make arrangements for this.

Isle of Man Trip - Meeting Fri 19th May

Please find attached an additional letter with details for the trip plus a kit list. There will be a meeting about the Isle of Man trip in school on Friday 19th May at 3.30pm. Children and parents are invited. If you are not able to attend please let me know and we can arrange another time to discuss.

Big Writing

The juniors will be developing story settings and the infants are writing about going on a train journey. Please could you share ideas at home in preparation for this.
