

16th December 2016

Dear Families,

My Final Newsletter for the school. Thank you all for all your support over the years, I have been here for 20 years and can't imagine life without this place but I know it is being left in capable hands. I will never forget the many happy years, memories and all the children I have taught. I look forward to still working indirectly with the school through the Lune Valley cluster and I am sure I will still see people to catch up with at various places. I know many of you have connections with Melling and Tatham Fells and will be getting updates on how I am getting on!

I hope you all have a wonderful Christmas and are excited about the new year to come.

Paralympian Visit - Friday 13th January

Beverley Jones will be visiting the school and will be talking about her experiences representing GB in the last 5 paralympics. She will bring her medals to show the children and will be running a sponsored circuit. The children all have sponsor forms and a letter explaining the day attached to the newsletter. Funds raised are split between the school and sports for champions to train GB athletes.

Nursery Hours

If your child attends more than one Nursery setting please can you be clear about how many hours they go to each. For example, if they come here 2 mornings/week this must be the same for all the term and cannot be changed until the next term. We have to supply our Nursery numbers termly in the School Census and this determines how the funding is allocated to the different Nurseries so it is very difficult to adjust the figures during the term. Thank you.
