

18th March 2016

Dear Families,

It has been a busy week this week with the Music festival, gymnastics competition and sport relief mile as well as all our usual lessons and next week is Easter week - time is flying by!

Inter Schools Gymnastic Competition

Well done to all the children who represented the school at the inter schools gymnastic competition yesterday at Willow lane. They performed confidently and with enjoyment and it showed in their routines. Thanks to Melissa them so well. We had the youngest team by far but all of our gymnasts won a medal.

The children participated in

different sections and the results are as follows:

Camellia and Sophie - gold
Olivia F and Olivia A- silver
Ellie and Ruby - bronze
Jasper and Libby - silver
Adam and Olivia S- bronze

Music Festival - Monday 14th March 7pm Lancaster Town Hall

All the Y1/2 produced a performance to be proud of on Monday evening. The singing was great and the children enjoyed their front row seats. Many thanks to Mrs Barker for organising it all and teaching the children.

Sport Relief Mile

We had a fantastic run along Lea drive all the children gave their best and joined in with enthusiasm. A special mention goes to Jonathan, Daniel and Michael who were the 1st 3 boys back, the Graces who were the first girls back, 1st infant boy back was Adam and 1st infant girl back was Eva. Thanks for all the contributions to sport relief and to Mrs Townley for providing refreshments. We hope to make a mile run a much more frequent feature of the school day - we are just trying to work out where to run!

Primary School Cross Country Races - Saturday 14th May - 10am-11:30am

The primary school cross country races are open to children in Y5/6 and are held at Lancaster University. It is a mile long run with hundreds of children taking part from all around the county.
