Weekly Newsletter—19th January 2018

Facebook Page

Our page is now up and running please search Cawthorne's Endowed School' and look for the emblem. We will be sharing lots of photographs to show the exciting things the children are learning at school.

Home School Agreement

At Cawthornes Endowed Primary School we continue to build a strong partnership between staff, parents and carers as we know this is important in helping children to achieve and to enjoy learning. We are determined to create an inclusive culture of learning where all children will be challenged in their thinking, to achieve to the best of their abilities and strive to become lifelong learners.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our Home School Agreement. Please find attached two copies of the updated home school agreement—one to keep and one to sign and return. Please take some time to read through the agreement and share it with your child.

Messages from the teachers :

Mrs Wright:

Please can you make sure that your child has their reading book and reading record in their bag for Monday and Friday each week and please do as much reading at home as possible.

Mr Corbett:

Please remember to read at home at least 3 times a week to improve reading and understanding. This week we have been learning about Ancient Egypt schools. The BBC Bitesize in History has lots of short videos and quizzes on this that will help you to learn more about our topic.

On a personal note Louise and I have just welcomed a new arrival to our family— a baby son called Finn and a brother for Tom.

Celebration Corner:

Many, many congratulations to Patrick and Louise on the birth of their new son Finn.

Sophie, Sam F, Olivia S & Theo were our stars of the week during awards assembly.

Year 3 shared their work on science and explanation texts.

Happy birthday to Olivia F.
