Weekly Theme

We continue to think about relationships this week and we will focus on fostering positive relationships.

Messages from the teachers

Mr Corbett, Mrs Hanigan and Mrs German

This week in the junior class, we will be continuing to read Malkin Child and thinking about characters, as we build up to writing our own narrative. In mathematics, we are continuing to look at place value. We are working hard on one of our class rules this week particularly thinking about respect. Well done to all of those children who remembered their homework grids today and especially all of those who had completed ten pieces of homework- and got them signed off. :)

Mrs Unsworth, Mrs Oram and Mrs Harkin

What a fabulous first week in school! This week Year 1 & 2 will be finishing 'Lost and Found' in English, In maths they are continuing with place value. Our topic is 'We are Britain' and in PHSE we are continuing the theme of friendships. The FS children are looking at 'All about me' and are looking at 'My Granny Went to Market' in English.

A reminder that Reception and Nursery will be at forest schools on Wednesday so will need long trousers and a waterproof coat. Also, everyone will need trainers for tennis club on Friday.

Please can you ensure your child has a change of clothing (especially underwear) that can be left in school.
