Weekly Newsletter

18th September 2023

Year 3 and 4 Orienteering

Year 3 and 4 will be travelling to Quernmore on Wednesday 20th September for an orienteering competition. They will need to wear their PE kits on the day. Children will travel by staff cars and return in time for lunch.

Poppy Workshop

A large poppy display is being created around the Cenotaph for Remembrance Day. Jackie Entwistle and Helen Foster have offered to do a poppy weaving workshop in school on Wednesday 20th September after school. It would be great to see as many children there as possible.

Phonics and Mathematics Workshops

Mrs Unsworth and Mrs Oram will be holding two workshops for parents and guardians of Early Years and Key Stage One children. This is a great opportunity to see how these are taught in school and how you can support your child's learning at home. The Phonics workshop will take place on Thursday 28th September at 3.30pm and Mathematics on Wednesday 4th September at 3.30pm. Children will be able to attend after school clubs on these days.

Headlice

We have had a case of headlice in school. Could children's hair be checked as soon as possible and treated if lice are found. <https://www.nhs.uk/conditions/head-lice-and-nits/>

Tennis Club

Could children **please bring trainers with them each Friday** as they are taking part in a tennis club during lunchtime.

Celebration Assembly

As part of our assembly on Wednesdays we will have a time of celebrating out of school achievements. If your child has any awards/medals or anything to celebrate from out of school clubs please can they be brought into school on a Wednesday so that they can be celebrated in assembly.

**Y3/4 Orienteering
@ Quernmore**

Mon 23rd Oct – Fri 27th Oct
(inclusive)

Inset Day – Mon 30th Oct

Weekly Theme

We continue to think about relationships this week and we will focus on healthy and loving relationships.

Messages from the teachers

Mr Corbett, Mrs Hanigan and Mrs German

This week in the juniors, the class rule we are really focussing on to get on the Tree of Awesomeness, is 'Looking after our belongings'. We really hope that everyone makes it onto the tree this week! We are writing our own narratives inspired by the Pendle Witches story this week though ours have a much nicer outcome! The children are doing really well with the other subjects too and are working on being really organised as part of our class routines. Well done 😊

Mrs Unsworth, Mrs Oram and Mrs Harkin

This week Year 1 & 2 will be continuing 'Lost and Found' in English, in maths they are continuing with place value. In science we will be looking at animals and humans. We are also looking at the work of LS Lowry. The FS children are looking at 'All about families'

A reminder that Reception and Nursery will be at forest schools on Wednesday so will need long trousers and a waterproof coat. Also, everyone will need trainers for tennis club on Friday.

Please can you ensure your child has a change of clothing (i.e leggings/joggers, underwear, socks) that can be left in school.

Celebration Corner:

Family Assembly

Family Assemblies will be held each Friday at 3.10pm, Year 4 will be celebrating work this week.

Stars of the Week

Well done to Harriet and Elsie who were our stars last week.
