Messages from the teachers

Mr Corbett, Mrs Hanigan and Mrs German

Welcome back, it is fantastic to see everyone back and ready to go. The children have been given their homework grids and their logins for their homework. Please can they be supported to do little but often bits of homework during the week.

In English this week we have started to read Malkin Child which is all about the Pendle Witches, we will work towards producing our own writing based on this in the next few weeks. The rolling programme for our curriculum can be found on the school website.

Mrs Unsworth, Mrs Oram and Mrs Harkin

Welcome back, it is so lovely to see everyone looking so smart. This half term, our topic will be We Are Britain, we are so excited to find out all about The British Isles. In Science we will be learning all about ourselves, our English for the next few weeks will cover Lost & Found by Oliver Jeffers. The Early Years children will be learning all about themselves, including their families. Please remember to check Dojo for photos and updates throughout the year. We're so excited to share the classroom this year with you.

Celebration Corner:
