

LDSSF 2026 Key Stage 2 Lyrics

“Our Time”

1. It's a lovely day today

it's a lovely day today so whatever
you've got to do

you've got a lovely day to do it in,
that's true.

And I hope whatever you've got to do
is something that can be done by two

for I'd really like to stay.

It's a lovely day today, and whatever
you've got to do,

I'd be so happy to be doing it with you.

But if you've got something that must
be done and it can only be done by
one,

there is nothing more to say except it's
a lovely day for saying: it's a lovely
day!

2. GREAT DAY

(Melody 1)

Great day!

Great day and the sun is shining.

Great day!

The sun's gonna shine on everyone.

(Melody 2)

Shine on! Shine on me, won't you

Shine on! Shine on me, won't you

Shine on! Shine on me.

The sun's gonna shine on everyone.

(Melody 3)

Great day! The sun is shining on me.

Great day! The sun is shining on me.

Great day! The sun is shining on,

The sun's gonna shine on everyone.

(Melody 4)

Dvm, dvm, dvm,

Dvm, dvm, dvm,

Dvm, dvm, dvm.

Sun's gonna shine on everyone.

3. Simple Gifts

Tis a gift to be simple tis a gift to be
free,

tis a gift to come down where you
ought to be.

And when we find ourselves in the
place just right,

it will be in the valley of love and
delight.

When true simplicity is gained

to bow and to bend we won't be
ashamed.

To turn turn will be our delight till by
turning and turning we come out right.

4. Half the World Away

I would like to leave this city

This old town don't smell too pretty and

I can feel the warning signs running
around my mind

And when I leave this island I'll book
myself onto a soul asylum

LDSSF 2026 Key Stage 2 Lyrics

“Our Time”

'Cause I can feel the warning signs
running around my mind

So here I go still scratching around in
the same old hole

My body feels young but my mind is
very old

So what do you say?

You can't give me the dreams that are
mine anyway

You're half the world away

Half the world away

Half the world away

I've been lost I've been found but I
don't feel down.

And when I leave this planet,

You know I'd stay but I just can't stand
it

And I can feel the warning signs,
running around my mind

And if I can leave this spirit, find me a
hole and I will fill it

And I can feel the warning signs,
running around my mind

Here I go, I'm still scratching around in
the same old hole

My body feels young but my mind is
very old

So what do you say?

You can't give me the dreams that are
mine anyway

You're half the world away

Half the world away

Half the world away

I've been lost I've been found but I
don't feel down

No I don't feel down

No I don't feel down

5. Poverty Knock

Up ev'ry morning at five,

A wonder that we keep alive.

Tired and yawning on the cold
morning,

It's back to the dreary old drive.

Oh dear we're going to be late.

Gaffer is stood at the gate.

We're out of pocket, our wages he'll
dock it,

We'll have to buy grub on the slate.

And it's poverty, poverty knock.
(stamp, stamp)

My loom is a-saying all day.

Poverty poverty knock. (stamp, stamp)

Gaffer's too skinny to pay.

Poverty poverty knock. (stamp, stamp)

LDSSF 2026 Key Stage 2 Lyrics

“Our Time”

Keeping one eye on the clock.

I know I can guttle when I hear my
shuttle go

Poverty, poverty knock! (stamp, stamp)

Sometimes a shuttle flies out.

And gives some poor woman a clout.

There she lies bleeding, but nobody's
heeding her,

Who's going to carry her out?

CHORUS (as before)

We've got to wet our own yarn.

By dipping it into the tarn.

It's wet and soggy and makes us feel
groggy

And there's mice in that dirty old barn.

CHORUS (as before)

6. Aint Gonna Let Nobody

8 bar BODY PERCUSSION

PART 1

Ain't gonna let nobody turn me around,
Turn me around, turn me around.

Ain't gonna let nobody turn me around,
Keep on walkin', keep on talkin',
Walkin' to the freedom land.

PART 2

Ain't gonna let nobody turn me,
Ain't gonna let nobody turn me,
Ain't gonna let nobody turn me,
Keep on walkin', keep on talkin', yeah.

7. Summer of 69

I got my first real six-string
Bought it at the five-and-dime
Played it 'til my fingers bled
Was the summer of '69

Verse 2

Me and some guys from school
Had a band and we tried real hard.
Jimmy quit, Jody got married
I should've known we'd never get far

Oh, when I look back now

That summer seemed to last forever
And if I had the choice

Yeah, I'd always wanna be there
Those were the best days of my life

VERSE 3

Ain't no use in complainin'
When you've got a job to do
Spent my evenings down at the drive-
in

LDSSF 2026 Key Stage 2 Lyrics

“Our Time”

And that's when I met you

Those were the best days of my life

Standin' on your mama's porch

Back in the summer of '69 – oh yeah

You told me that you'd wait forever

Back in the summer of '69 - oh, yeah.

Oh, and when you held my hand

Back in the summer of '69

I knew that it was now or never

Those were the best days of my life

Back in the summer of '69

8. Bring Me Sunshine

1. Bring me sunshine in your smile,

Bring me laughter all the while,

In this world where we live,

There should be more happiness,

So much joy you can give,

To each brand new bright tomorrow,

Make me happy through the years,

Never bring me any tears,

Let your arms be as warm as the sun
from up above,

Bring me fun, bring me sunshine, bring
me love.

Bridge

Man we were killin' time

We were young and restless

We needed to unwind

I guess nothin' can last forever,
forever...no!

Verse 4

And now the times are changin'

Look at everything that's come and
gone

Sometimes when I play that old six-
string

I think about you, wonder what went
wrong

2. Teachers sing;

Bring me sunshine in your eyes,

Bring me rainbows from the skies,

Life's too short to be spent having
anything but fun,

We can be so content if we gather little
sunbeams,

Be lighthearted all day long,

Keep me singing happy songs,

Standin' on your mama's porch

You told me that it'd last forever

Oh, and when you held my hand

I knew that it was now or never

LDSSF 2026 Key Stage 2 Lyrics

“Our Time”

Let your arms be as warm as the sun
from up above,

Bring me fun, bring me sunshine, bring
me love.

Repeat Verse 1

9. Our Time

Something is stirring, shifting ground
it's just begun.

Edges are blurring all around, and
yesterday is done.

Feel the flow hear what's happening.

We're what's happening.

Don't you know?

Where the movers and we're the
shapers

We're the names in tomorrow's papers
up to us pal, to show 'em

It's our time, breathe it in

Worlds to change and worlds to win

Our turn coming through

me and you pal, me and you

Verse 2

Feel how it quivers, on the brink,

Everything!

Gives you the shivers makes you think
there's so much stuff to sing.

Feel the flow hear what's happening.

We're what's happening.

Don't you know?

Where the movers and we're the
shapers

We're the names in tomorrow's papers
up to us pal, to show 'em

It's our time, Breathe it in

Worlds to change and worlds to win

Our turn coming through

me and you pal, me and you

Feel the flow Feel the flow
hear what's happening.

We're what's happening.

Long ago, all we had was that funny
feeling

saying someday we'd send 'em
reeling,

now it looks like we can!

It's our time, Breathe it in

Worlds to change and worlds to win

Our turn coming through

me and you pal, me and you

LDSSF 2026 Key Stage 2 Lyrics

“Our Time”

me and you

who knows just What I could be

me and you

Thinking ‘bout my family

me and you

always staying true to me

10. Chasing Opportunities

Chorus

I’m writing the script like on tv

Chasing opportunities

My mates are in it to they’re supporting me

who knows just What I could be

There’s no rehearsal so we’ve gotta just take a chance

Thinking ‘bout my family

But at least we can plan it all in advance

always staying true to me

So how can we progress like we need too

I see where I’m from and I’m proud of the that

look ahead like we’re gonna do read through

cos there’s only one of me I ain’t a copy cat

there’s no limit on my future don’t disagree

I see the cars and people I remember names

So where can I go what can I be

where we grow up where we’re living where we’re playing games

Chorus

It’s easy to forget when you move around

Chasing opportunities

But community is how we’re getting off the ground

who knows just What I could be

I take a minute just to think about where I live

Thinking bout my family

but what do I take what do I give

always staying true to me

Chorus (part 2)

chorus

Chasing opportunities

Chasing opportunities

What I could be

LDSSF 2026 Key Stage 2 Lyrics

“Our Time”

Thinking my bout my family
Be true to me

Because you know I'll be there.

Chorus repeat

11. TRUE COLOURS

You with the sad eyes,
Don't be discouraged,
Oh, I realize
It's hard to take courage.
In a world full of people,
You can lose sight of it all,
And the darkness inside you
Can make you feel so small.

But I see your true colours shining
through.
I see your true colours, that's why I
love you.
So don't be afraid to let them show.
Your true colours, true colours
Are beautiful like a rainbow.

Show me a smile then.
Don't be unhappy,
Can't remember when
I last saw you laughing.
If this world makes you crazy
And you've taken all you can bear
You call me up,

If this world makes you crazy
And you've taken all you can bear,
You call me up,
Because you know I'll be there.

And I'll see your true colours shining
through.

I see your true colours, that's why I
love you.

So don't be afraid to let them show.

Your true colours, true colours,

True colours are shining through.

See your true colours, and that's why I
love you.

So don't be afraid to let them show.

Your true colours, true colours

Are beautiful like a rainbow.

12. Rockstar

There's a girl in the backyard bangin'
on her drum,

Sittin' in a junk pile laughing at the sun,

Singin': 'ah, ha, ha, I just wanna be a
rockstar.'

LDSSF 2026 Key Stage 2 Lyrics

“Our Time”

There's a boy in the backseat singin' to
the song

Playin' on the radio, knowing he's the
one,

Singin': 'ah, ha, ha, I just wanna be a
rockstar.'

Singin': 'ah, ha, ha, I was born to be a
rockstar.'

There's a girl in the tree top looking at
the stars,

Waiting for a touchdown comin' in from
Mars,

Thinkin': 'is there anybody out there?'

There's a boy thinkin' of her playin' his
guitar,

Searching for the answer buried in his
heart,

Thinkin': 'ah, ha, ha, is there anybody
out there?'

Singin': 'ah, ha, ha, is there anybody
out there?'

If there's a meaning can you show me
a sign?

The more I look it just gets harder to
find.

The world is spinnin' and I wanna
know why.

And we're all getting older, wishing we
were young,

Hanging on the memory of what we
could become,

Singin': 'ah, ha, ha, I was born to be a
rockstar'.

Singin': 'ah, ha, ha, I just wanna be a
rockstar'.

Singin': 'ah, ha, ha, I was born to be a
rockstar'.
