Weekly Newsletter

22nd June 2026

Sunscreen

As the weather warms up, please ensure sunscreen is applied to your child before they arrive at school. Staff will top this up during the day as needed. Thank you for helping us keep everyone safe in the sun.

School Login Use Policy

To help keep all pupils safe online, we kindly remind families that school login accounts should only be used for learning activities. Pupils should not use their school usernames or passwords to message each other or to make video calls, whether they are in school or at home.

This helps us protect children's privacy, maintain a secure learning environment, and ensure that school systems are used appropriately. Thank you for your support in reinforcing this at home.

Forest School

There will be no Forest School this week.

Sponsored Swim

During our swimming lesson on Thursday, we will be holding a Sponsored Swim. This is a fun opportunity for pupils to challenge themselves while raising funds for school activities. Your child should have brought home a sponsor form. Thank you for your support.

Let's Learn Moor

On Monday 22nd June the infant children will be taking part in Let's Learn Moor, a programme funded by BASC's Legacy Fund. During this visit, the children will explore moorland preservation, wildlife, and rural livelihoods. They will meet and learn from the people who manage and protect the UK's moorland landscapes, gaining first-hand insight into conservation, biodiversity, and rural careers.

This visit will take place at Back Cleugh, Marshaw. Children will travel in staff cars. Please ensure they come dressed in suitable outdoor clothing, including long trousers, and bring a packed lunch.

Fathers' Day Sale

Thank you for your support with the Father's day sale £100 was raised and this will be donated to the RNLI to support their vital lifesaving work.

Dynamos Cricket

The year 4s and 5s will be travelling to Warton on Thursday 2nd July to take part in the Lune Valley Cricket competition. They will need to wear their PE kits, bring a packed lunch and will return in time for swimming.

Stay and Play

The next stay and play session for all pre-school children and their parents will be held on Thursday 2nd July from 2pm - please spread the word.

Year 6 Assemblies

Our year 6 children will be presenting their own assembly on a subject of their choice. Everyone is invited to watch these assemblies, all start at 3pm on the following dates: Harry - Tue 30th June; Mabel - Wed 1st July; Joe - Mon 6th July; Nancy Tue 7th July; Abigail Wed 8th July. If these dates are not suitable for the year 6 parents please let us know ASAP and we will re-arrange them.

End of Term Dates

Monday 20th July

Summer Holiday

Tuesday 21st July to
31st August 2026

INSET

Tues 1st Sept & Wed
2nd Sept.

Weekly Theme

Over the next few weeks, our whole-school theme will be **'Keeping Safe'**. This week, pupils will be learning about **protecting their personal information**. They will explore what personal information is, why it is important not to share it with people they don't know, and how to make safe choices when talking, playing, or learning online. We will also talk about recognising safe and unsafe situations and knowing when to ask a trusted adult for help.

Messages from the teachers

Mr Corbett, Mrs Martin, Mrs German and Mrs Elamir

This week in English, Year 3 and 4 will be working out how Barnabus could escape from his jar in the lab. We have thought carefully about how he is feeling and what he might want and now we are going to write some instructions for the escape.

Year 5s and 6s are starting a new book about space 'Curiosity' and their guided reading is 'Overheard in a tower block' - poems about life in a tower block.

In maths, most groups are working on shape and time - so keep practising telling the time, please!

In other subjects we will be reading about the Baptism of Jesus and doing some art work, editing images and learning about acceptable and fair use and continuing our art and DT projects.

Mrs Unsworth & Mrs Harkin

In maths this week year 1 will be beginning their time topic, which focuses mostly on days of the week and months of the year, this would be great continued at home too please. The year 2 children will be finishing their statistics topic this week. We will be moving onto a brand new English topic this week after a super successful Great Fire of London topic, our new story is called 'Yeti & the Bird' and we will be completing some story writing this time. In Geography, we will be learning all about China, including where it is on a map and the things you can see there. We have another super busy week, but please continue to read regularly and to do spellings.

Celebration Corner:

Star of the week

Congratulations Ayla, Charlie & Ella on being our stars last week - well done!

Family Assembly

Our Year 2 children will be presenting their work in this week's Family Assembly. We'd love to see you there on Friday at 3.15pm.

Pupil Voice

Thank you for supporting the **Father's Day Gift Sale** - £100 was raised for the RNLI.

The **sponsored swim** will take place on Thursday proceeds will be for the school.

Thank you
