Message from the teachers:

KS2:

Year 3 and 4 have started a new book called 'The Varmints' this week. They were intrigued and full of questions upon finding flowers, seeds and a letter from the Secret Gardener on Friday! Who are the Varmints and what will they do? They have written super descriptive sentences today and we look forward to seeing what comes next.

Key Stage 2 are continuing to think about how to find things out online in computing. We have looked at different search engines and this week we will learn how search engines find and present results. We always have a focus on safe searching and hope parents will continue this conversation at home.

We have been pleased with how many children each week are earning 30+ DoJos and therefore having an extra bit of break as a reward. Keep up the good work! DoJos can be earnt for many things: listening well, being a good friend, settling down to learning quickly or taking responsibility by bringing homework in on time - among others!

Well done to those children who continue to complete their homework on time. Please note that the page to be completed this week has been dated with today's date.

KS1 & Early Years:

This week the Year 1 & 2 children will be beginning to plan their own Sea-Saw adventure story whilst the EYFS children use 'The Whale Who Wanted More by Rachel Bright' as their story focus. In mathematics, year 1 & 2 will be finishing off place value whilst the EYFS children focus on repeating pattern. The EYFS children have also been making salt dough sea creatures ready to decorate to match their story and also making some fabulous CD fish! Our RE this week focusses on Hinduism and the children will be making some lotus flowers which focus on the Hindu story of creation. It will be another super busy week, well done to those children who read and learn their spellings regularly at home, we do really appreciate your support. Please ensure your child has a bag of spares on their peg, even if they are in year 2, you never know when we may need them.

Weekly Theme:

Love respects and cares

This week we will be talking about how to ensure everyone feels valued, secure, and emotionally supported. We will talk about recognising each person's equal worth, listening to one another, accepting our differences, and honouring personal boundaries and privacy and showing kindness and offering help to those in need.

A safe community is one where we look out for each other and always know who to turn to when we need support or feel unsafe.
